Docket No. 98N-1265 410 '99 APR 21 10:02
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I strongly oppose the FDA interference
with my right to obtain natural and individualized
compounded medications from my preferred
specialized compounding pharmacy.
Standard commercial pharmacies have not been
able to provide the prescriptions required
for my health needs. Only my compounded prescriptions
have provided relief + a return to normal functioning.
